PREFACE

Beneath our lofty ideals there must be an organizational system that supports, guides and trains members, enacts rules to control their interaction with one another, and raises funds to pay accounts.

Our highest governing body is the Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario and within the governance of that jurisdiction, specific regulations are enacted by each constituent Lodge to control the actions of members and set out the duties of officers and responsibilities of certain committees. These regulations and subsequent proposed amendments thereto, must be in harmony with the Constitution of our Grand Lodge and duly approved by that Grand body before they become authorized for enforcement.

Ancient Landmarks also govern the actions of all members. Although these have never been made explicit, the criteria for defining a landmark are:

1. A landmark must have existed from *‘time whereof the memory of man runneth not to the contrary’*.
2. A landmark is an element in the form or essence of the society of such importance that Freemasonry would not be Freemasonry if it were removed.

The actions of the officers and members of our Lodges are governed by the Landmarks, the Constitution of Grand Lodge, and the By-Laws of their respective Lodges. Within reason, the By-Laws may be whatever the Lodges wish to enact to rule and govern themselves.

When the Grand Lodge of Canada became a reality on October 11th, 1855, the constituent Lodges were grouped into three Districts: Western, Central, and Eastern. By July 1857 there were seven Districts:

1. London – that portion of the province lying between its extreme western boundary and the eastern boundaries of the counties of Perth, Middlesex, Elgin, Huron, and Bruce.
2. Hamilton - that portion of the province lying between the London District and the river Credit.
3. Toronto – that portion of the province lying between the river Credit and river Trent, including the carrying place.
4. Central – all that portion of the province lying between the river Trent and Lower Canada, including the County of Prince Edward.
5. Montreal – all that portion lying between Western Canada and the Richelieu and St. Lawrence rivers, including Sorel.
6. Eastern Townships – all that portion lying south-east of the Richelieu and St. Lawrence rivers.
7. Quebec – the remaining part of Lower Canada.

In 1868, Central District was split into St. Lawrence and Ottawa Districts. The former consisted of Frontenac, Leeds, Grenville, Dundas, Stormont, and Glengarry

counties, the city of Kingston, and the towns of Brockville and Cornwall, while the latter included Renfrew, Lanark, Carleton, Prescott, and Russell counties, the city of Ottawa, and the village of Aylmer, Quebec.

By 1969 Ottawa District included twenty-nine (29) Lodges located in and around the city of Ottawa. At the Annual Communication of Grand Lodge on July 16, 1969, it was resolved that Ottawa District would be split into Ottawa District 1 and Ottawa District 2 as follows:

Bytown Lodge U.D. was instituted as Bytown Lodge No. 721 on October 11, 1969 and became part of Ottawa 2. Between July 1970 and July 2023, Ottawa 1 added one Lodge [Edinburgh No. 736 - 1983] and another closed [Corinthian No. 476 - 2000] to remain at 15 Lodges. As for Ottawa 2, one new Lodge [Luxor Daylight No. 741 - November 1992] was formed, three amalgamations occurred [Rideau No. 595 with Chaudiere No. 264 - May 2003, Enterprise No. 516 with Cobden No. 459 - September 2007, and Chaudiere No. 264 with The Builders' No. 177 - January 2021], and four Lodges went into darkness [Atomic Daylight No. 686¹ - October 2014, Bonnechere No. No. 433 - June 2017, Dalhousie No. 52 - April 2019, and Luxor Daylight No. 741 - May 2022] leaving 9 Lodges.
